CLEW

Thanks to all the ladies who helped with the CLEW workshop and to all brought refreshments. Very special thanks to Penny, Martha, and Helon, who made it all possible.

March is Women's History Month

The 2005 Women's History Month theme, "Women Change America," honors and recognizes the role of American women in transforming culture, history and politics as leaders, writers, scientists, educators, politicians, artists, historians, and informed citizens.

"Women Change America" also celebrates the myriad ways in which the spirit, courage,

and contributions of American women have added to the vitality, richness, and diversity of American life. In 2005, all previous Women's History Week and Month Honorees will be recognized and celebrated. For information about the 143 women

honored by the National Women's History Project since 1980, visit the Women's History Month section of the National Women's History Project website, www.nwhp.org.
