### ***Officers' Reports***

#### ***President:***

- Six members (Chesnut, Saunders, Hartley, Miller, Thurman, Stone) attended the Fall District Meeting in Manchester on October 14.
- Several special projects for 2006-08:
  1. GFWC – "Empowering Women"
  2. GaFWC – "Developing Leaders One Spoonful at a Time"
  3. GaFWC – "Give the Gift of Life – Donate Blood"
  4. Tallulah Falls – "It's Tech Time at Tallulah Falls"
- New Members: June Woodside, Diane Sharpe and Faye McIntyre
- CCWC has a need for a digital camera. A used camera that is still in good operating condition will be very much appreciated.
- Activity Sheets Due Next Month: Before we really get into the holiday season, get out your Activity Sheets for Jan. 2006 - December 2006 and start filling them out. Department Chairmen need your activities as they "gear up" to write their reports. If you have not kept up with them throughout the year, check your calendar, checkbook, receipts etc. You may not do a lot in every department, but there is something there for everyone. Let us know if you just can't find your sheet.

We appreciate the leadership of our department chairpersons, but they don't know the things you do and it will sure make their job easier if you will fill out and turn in your sheets.

Do you give money or volunteer for different causes; do you recycle, read books, work at the soup kitchen, send money to International causes, etc?

Bring your filled out activity sheets to the November meeting, but no later than the December meeting. Let Laura Miller know if yours will be late. There are many good deeds done during the holidays. If you do more after you turn it in, just write those activities on a separate sheet and give to Laura or the department chairperson.

Thanks!
